

PLEASE NOTE:

In certain car models the removal of the O.E. mounting bolts may be better facilitated by grinding down the short leg of the appropriate Allen key to approx. 10mm long.

Please keep the included spring (code FMSS114 – yellow). This spring may be needed if you have your ECU re-mapped.

Check out WWW.FORGEMOTORSPORT.CO.UK and WWW.FORGEMOTORSPORT.COM

For a full range of performance products for your vehicle.

If you have any questions or concerns about this product or anything else, please feel free to contact your local or preferred Forge Motorsport Dealer/Installer or you may contact us directly.
